Scrap Tire Disposal

Delaware, Knox, Marion,
Morrow Counties

Funding provided by the
Ohio Environmental Protection Agency

Background

A scrap tire is defined by Ohio EPA as any unwanted or discarded tire, regardless of size, that has been removed from its original use. Improper scrap tire disposal creates many health and environmental hazards which is why it is imperative that scrap tires be handled and disposed of properly.

Scrap tires are continually found dumped along roadways, in parks and in remote areas. The DKMM Solid Waste District spends approximately \$21,000 annually on tire disposal, in an effort to keep our public areas clean and safe.

Do your part and dispose of your tires properly. It's easiest to leave your old tires at the shop when purchasing new tires. If you do find yourself with a few tires hanging around, check out the local disposal options listed in this brochure.

Report open dumping of scrap tires by calling 877-372-2621

DKMM TIRE COLLECTION EVENTS

A minimum of two residential tire collection events are held each year. These events are open to residents living in Delaware, Knox, Marion and Morrow counties.

No business allowed.

Ag tire collection events are held as needed, typically every three years.

Visit www.dkmm.org for more details.

Fees do apply. Please call for pricing prior to taking your tires to any of these locations.

All locations accept passenger and light truck tires. The listings in **color** also accept agricultural tires.
