

Agricultural Recycling Day

Aug. 1 | 8 a.m. to 12 p.m. | Morrow County Fairgrounds

Free chemical container and agricultural tire recycling for residents of Delaware, Knox, Marion and Morrow counties. No registration required.

Requirements for Chemical Containers:

- Containers must be rigid high-density polyethylene HDPE plastic up to 55 gallons (resin code #2 or #7).
- Containers must be triple-rinsed or pressure-rinsed immediately after emptying.
- Containers must be completely empty and dry with no dried residue inside or outside.
- All caps must be removed and discarded before arrival.
- All label booklets must be removed but the glued-on base label may remain.
- Consumer, home or garden pesticide containers will not be accepted.

Requirements for Agricultural Tires:

- Agricultural tires only. No size limit.
- No track treads
- No rims or ballast: Tires must be completely off the rim and free of ballast, mud, water or heavy debris.
- Tire limit: Free drop-off up to 10 tires. No tire dealers allowed.
- If you need to bring more than 10 tires, contact the Ohio EPA at DMWMScrapTire@epa.ohio.gov to obtain a transportation exemption.
